Good evening!

Can you believe this Wednesday is our 6th session and graduation from TCLA?! For this last session we will be back to the WeGo Central Meeting room. We will have a discussion, then complete some surveys, do our individual presentations and present the certificates.

For your individual presentation all you have to do is to answer the following question:

How does transportation and mobility affect quality of life? Is it a want or a need?

By 4:45pm we will be done and we will be heading to the Alumni Social at [The Studio 208](#) (208 3rd Ave N, Nashville, TN 37201) which is about a 7 minute walk. There is also a paid parking lot next to Studio 208 for anyone who needs to drive and there are other nearby bus stops in the area as well as scooters. The Studio 208 is an art gallery so If you have any questions about the art feel free to ask in the art curator ,Ashley Segroves, who is also a TCLA alumni.
